

The drawing shows two views of a table assembly. The left view is an exploded view showing the tabletop (A) being placed onto a frame consisting of legs (B, G), crossbars (E), and a support structure (C, D). The right view is a detailed perspective of the frame assembly, showing the connection of various parts including curved braces (C), horizontal bars (D), and vertical supports (E, G, H, I, J, K). Screws (F) and bolts (D, G) are used for assembly.
